Your Wedding Ceremony

Pilgrim United Church of Christ was founded in 1834. Our sanctuary, a classical example of Greek revival architecture, is listed in the National Register of Historic Places as the oldest church in continuous use in Summit County.

We are delighted you are considering including us in your marriage celebration. Good marriages can be seen as God at work in the lives of his people. We hope to set the stage for a beautiful wedding day, but more importantly, we hope to set the stage for blessed marriage.

Church membership is not required to hold your ceremony here at Pilgrim, and a previous divorce will not prevent your marriage here. All that is needed is a sincere desire to make sacred vows before God. That is why we ask that all couples attend 5 premarital counseling sessions with the pastor prior to the wedding ceremony.

The Rehearsal

The night prior to your wedding ceremony is just that, a rehearsal. Keeping this in mind, it is most beneficial for your entire bridal party to be present in addition to any outside musicians.

A Wedding Coordinator is provided to help the bridal party prepare and coordinate activity for your ceremony.

The Wedding Day

The wedding service of the United Church of Christ is simple and dignified. In its plainest form, the ceremony takes approximately 20 minutes. The pastor will discuss the service with you in detail and will work with you to design a service individually suited to you.

Sanctuary decorations should be kept in the simplicity of the church and the sacred rite of marriage. Candles and flowers are permitted, but nothing may be stapled or nailed to the pews. It may be helpful to note there are 11 rows of pews on each side of the sanctuary and the center aisle is 40-feet long.

In hopes you will choose music with special meaning and inspiration to you as a couple, the pastor will guide you in making your own musical selections.

Following the ceremony, we ask that you not throw birdseed, rice or release helium balloons. We recommend bubbles, confetti or flower petals be used in celebration.
