A Note from the Treasurer . . .

In an effort to provide information to the congregation concerning our operating expenses, the following is our income and expenses through March 31, 2017.

Income \$38,500 Expenses \$52,500

These numbers are provided and discussed monthly at the Trustee and Council meetings, but it was suggested that they also be made available to the entire church on a more regular basis. In the past, often times the expenses has only been a topic of conversation at the annual meeting in conjunction with our budget for the new year. My plan going forward is to provide this information more frequently. If you have any question concerning these figures, please let me know.
